Minutes of a Meeting of Steventon Parish Council held on Tuesday 6th June 2017 in the Village Hall Millennium Room

1. APOLOGIES FOR ABSENCE

Apologies were received from Mr J Bennett, Cllr M Barber(VWH) and Cllr M Fo-Davies(OCC)

2. PRESENT

Dr C Wilding Chair, , Mr R Bosley, Mrs Carole Denton, Mr J Clark, Mr R Green, Mr J Spiller and Mr R Wilkinson. Mrs A Einon (Parish Clerk) was in attendance. There were thirteen members of the public present.

3. DECLARATIONS OF PECUNIARY INTERESTS AND OTHER DECLARATIONS

To receive any declarations of disclosable pecuniary interests, and other declarations, in respect of items on the agenda for this meeting.

No declarations had been received.

4. PUBLIC PARTICIPATION

4.1. Parish Councillor

Dr Wilding informed the meeting that Miss Linda Humphries had resigned as a Parish Councillor. She has a new job that conflicts with Parish duties, we wish her well. The notification has been displayed and sent to the Vale and if an election is not requested we will be looking to co-opt a replacement. If anyone is interested in joining the Parish Council please contact the Clerk or any member of the Council.

4.2. Truck

Mr Turton asked that the organizers be reminded about putting out black bags in advance of the first day. The access route will be via Featherbed Lane which will be one way for the event. The ticket sales had been increased this year rising further over the next few years.

4.3. Footpath access from new developments

A traffic management plan had been circulated by Linden to those in the area of the Linden development. The suggested route for pedestrians was Milbank Way to the Hanney Road. There are no pavements on Milbank Way or the Hanney Road. Hanney Road has some pavements nearer to the centre of the village but not for several hundred yards from the junction. Barnett Road also has no footpath where it joins Hanney Road, and no alternative exit. Miller homes have applied to not provide a footpath on the east of Abingdon road, which was to provide access to the bus stop from their development.

4.4. Bridge demolition

Many objections have been submitted to the Vale in response to the application to demolish the listed bridge and to replace with a concrete one. The deadline has been moved to 11th June, so if you are able submit your opinion. The Parish Council would like to thank the residents for their support. There is a meeting scheduled for Thursday with Historic England and the Conservation Officer. Cllr Mat Barber has requested that the application be passed to Committee.

4.5. Reservoir

The issue of supply is out for consultation but Thames Water are strongly in favour of a reservoir. They are holding open meetings, one is on 15th May at Trinity Methodist Abingdon. They have promised to hold an open meeting in Steventon with representative's present able to answer specific questions on essentials like the effect on the flood plains and water levels.

5. REPORT FROM ANY COUNTY OR DISTRICT COUNCILLOR IN ATTENDANCE

No Councillor was present.

6. APPROVAL OF THE MINUTES OF THE LAST MEETING

The minutes of the meeting held on Tuesday 2nd May, were accepted as a true record, with the following modifications

Proposed: Mr Bosley. Seconded: Mr Clark

7. MATTERS ARISING FROM THE MINUTES OF THE PREVIOUS MEETING – REPORTS ON ACTIONS

7.1. Verges and gullies

Linden met with the Head of the School on 15 May and discussed an updated travel plan and outstanding items. John Lofthouse of Linden would discuss when he returns from holiday this week the outstanding items, absence of a management company, verges and culverts, reinstatement of Hanney Road. All needed to be sorted before the development was signed off.

Action 17/6/01: Mr Green.

7.2. Registration of Parish Council Land

No progress. Dr Wilding agreed to meet with Mr Dew to talk about parish land usage over the past thirty years.

Action 17/6/02: Dr Wilding

7.3. Traffic calming

The monitor was ready to set up to record train speeds. Mr Green to contact Mr Mobbs.

Action 17/6/03: Mr Green/Mr Wilkinson

7.4. Grass cutting

Mr Griswold had still not supplied a quote.

Action 17/6/04: Open spaces

7.5. Brewers Close appeal

Dr Wilding had attended the public enquiry and voiced the Parish Councils objections. They had done a walk about the village to view the location and decide if the proposal was a built up area. After the event West Waddy asked for the agreed building in Sheepwash Lane to be considered by the appeal. The Vale preferred to do this by correspondence rather than open a new public enquiry. The result of the enquiry will be published hopefully by the end of July.

7.6. Ms Melotti re bench site

Mr Bosley had yet to speak to Ms Melotti.

Action 17/6/05: Mr Bosley

7.7. Crossing closure re incident with School children

Alan Durham is in contact with the School Head.

7.8. Flood contingency plan

Submission required in July add to next month's Agenda

8. ITEMS FROM RISK ASSESSMENT ACTION SCHEDULE

8.1. Publication Scheme under the Freedom of Information Act.

The publication scheme was circulated and agreed.

8.2. Review Register of Ownership annually

Ongoing under 7.2 above

9. WORKING GROUP, SUB-COMMITTEE AND REPRESENTATIVES ACTIVITIES

9.1. Finance and General Purposes Committee JB, RB, JC, LH, CW, Clerk

Not met

9.2. Planning Committee RB, CD, RG, JS, CW, Clerk

A meeting was held on 23rd May in the Village Hall. Seventy-one members of the public attended and discussed the application to demolish Steventon Bridge. Minutes of the meeting were circulated to the Parish Council and agreed. Proposed: Mr Bosley, Seconded: Mr Clark. The consensus was that a strong objection should be submitted to the Vale. Members of the public were encouraged to submit their feelings via the Vale website.

9.3. Burial Ground CD, LH, RW, Clerk

Met on Saturday 27th May and examined the headstones. There were a few requiring attention and the Clerk would write to the address on record, in some cases this would no longer be relevant and the Parish Council will have to decide what to do with those needing work. The proposal to lay down headstones was not very viable as the method of fixing involved iron spikes that would be left standing and likely to be more dangerous than the original. There were various holes where graves had collapsed which required some infill to stop them getting worse. It was agreed that if possible the spoil heap could be used to fill the holes. Anyone interested in doing this on a day work basis to provide quotes.

9.4. Open Spaces – Trees, Greens, Waterways and Footpaths RB, JC, LH, JS, RW,

An initial quote had been obtained to make a survey of the 44 trees on the green and propose a way forward for maintenance and replacement if necessary, the figure was £1295 and would provide a computerised plan. Further quotes for a similar programme would be obtained.

Action 17/6/06: Mr Bosley

9.5. Recreation and Leisure – Playground, Sports Hall RB, CD, RG, CW

Not met

9.6. Village Infrastructure – Railway, Roads, Drains JB, RB, RG, JS, CW

The media release had been sent out and there were articles in the Oxford Mail and Oxford Guardian, railway magazines had so far not taken up the story. There had been a disappointing response from local business to the questionnaire sent round, but pledges to the fighting fund had been received up to £4k, which was very encouraging. The application to Sarinc for a contribution towards funds was turned down as outside charitable purpose. A meeting had been held with OCC, Network Rail, Parish Council, chaired by Stewart Lilly on 22nd May, when it was said that there was no alternative plan to bridge demolition. In the event of agreement to demolish a traffic management plan was required. Richard Warren(OCC) would arrange a drive round attended by Robert Green and Chris Wilding of the proposed routes. Nick Backlow a village resident employed by OCC would be invited to join future meetings.

The bus stop on the Abingdon Road which consists of two drain covers to stand on is becoming unstable. The Clerk to ask Cllr M Fox-Davies about responsibilities of design and upkeep.

A further invoice had been received for the advice given by Solka. The Parish Council were very concerned that they had not been aware of this commitment, beyond the initial payment. It was agreed that the payment should be made but stressed that quotes must include the total figure to be committed, for which an official order would be placed. It was proposed that a meeting of the Finance and General Purposes Committee should be convened.

9.7. Houses and Planning JC, CD, RG, JS, CW

The questionnaire on housing and needs would be analysed.

9.8. Sarinc RW, CD

Nothing to report

9.9. Neighbourhood Plan RB, RG, JC, JS, CW, Clerk and volunteers: Lorraine Atkins, Laura Bosley, Nigel Goode, Avril Ivin, Caroline Miller, Nick Thompson

A further meeting of the Steering Group with Will Sparling from VWHDC was held on 18th May to discuss draft policies. A meeting of the full working group would be held in June, prior to a further meeting with Will Sparling at the Vale offices to progress the draft into suitable language for submission. It was hoped that it would be possible to submit the draft plan for referendum in September/October.
